

CRYSTORAMA

LIGHTING THE WAY FOR SIXTY YEARS

ASSEMBLY INSTRUCTION MODEL #BEL-A8063-GE

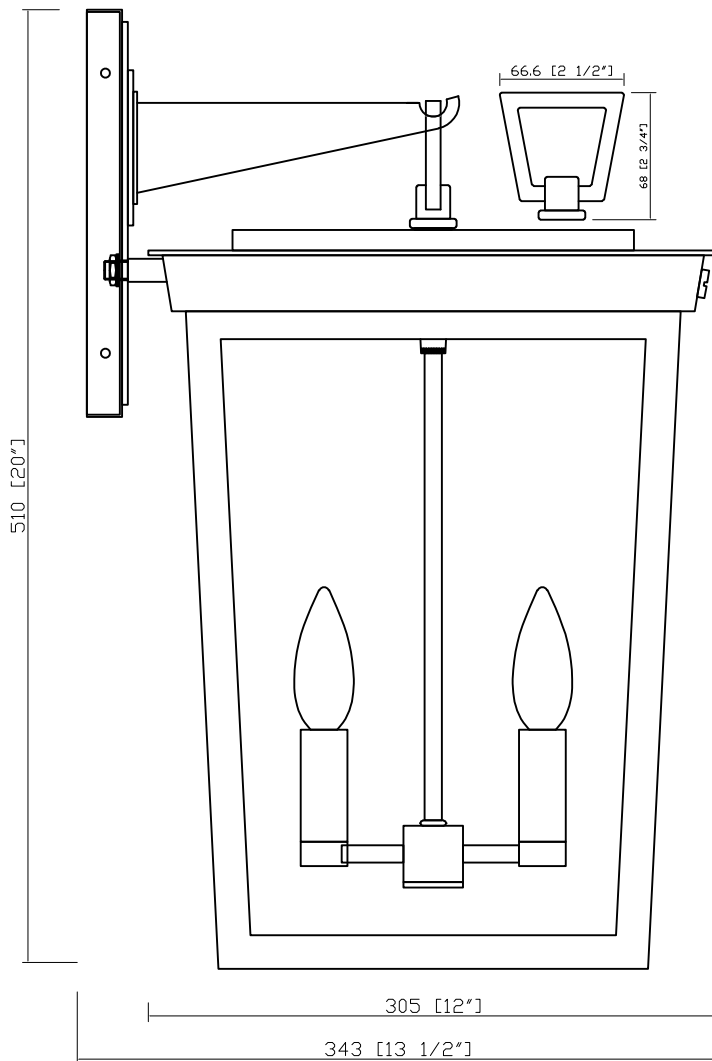

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 3 – Cand.BULB
60 Watts Max Bulb not included
USE LED BULBS FOR EXTENDED USE
This fixture is wet rated

How to Install

1. Take the bottom cage down by removing the screws on the top of it.
2. Remove the L-shaped bracket by unscrewing the screws.
3. Insert two glass panels into adjacent sides of the bottom cage. While holding the glass, take a bracket and align the hole on the bracket with the hole on the cage. Tighten a screw into the hole securing the glass. Do not over tighten the glass to prevent breakage. Repeat for the remaining two glass panels.
4. Install the bulb onto the socket.
5. Put the bottom cage back onto the top cover and secure with the cap nuts.
6. Place the mounting plate over the outlet box and mark 4 points on the wall surface at the center of the 4 holes on the mounting plate.
7. Drill 4 holes at the marked points and insert the wall anchors.
8. Attach the mounting plate over the outlet box using two outlet box screws. Insert the anchor screws into the wall anchors to tighten it.
9. Install the back plate onto the mounting plate. Secure it with screws

WARNING: This product can expose you to Lead, which is known to the State of California to cause cancer and/or birth defects or reproductive harm. For more information go to www.P65Warnings.ca.gov
