CRYSTORAMA LIGHTING

Crystorama.com

ASSEMBLY INSTRUCTION MODEL #HAY-1415-PN

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 6-Candelabra Base Bulb

40 Watts Recommended 60 Watts Max

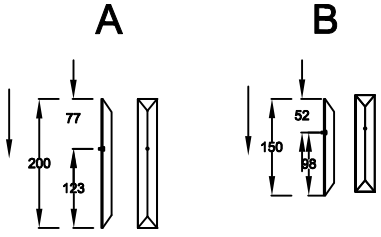

USE LED BULBS FOR EXTENDED USE

This fixture is Damp rated

How to Install

1. Place the mounting plate over the outlet box and mark 6 points on the wall with the same distance as the holes on the mounting plate.
2. Drill the holes at the marked points and insert the plastic anchors into the wall. Put the mounting plate back over the outlet box and secure with the anchor screws.
3. Place the frame over the mounting plate and secure with the screws.
4. Install the crystal rods onto the frame.

DETAILED ILLUSTRATION

When dressing the crystals, install the crystal so the shorter end faces toward the ceiling.
